

Wand-WC, vandalismussicher, Edelstahl AISI 304, satiniert, mit HI-MACS Sitz

Artikelnummer: ASA-SLWN 04-LG

- Edelstahl AISI 304, satiniert – robust, hygienisch, korrosionsbeständig und pflegeleicht
- Polyurethan-Verstärkung innen – verhindert Einbeulungen und dämpft Metallgeräusche
- Vandalismusresistente Ausführung – massives Stahlblech, keine bruchgefährdeten Keramikteile
- Wandmontage mittels Montageplatte – stabile Befestigung; kompatibel mit handelsüblichen Ständersystemen (z. B. Geberit)
- HI-MACS Sitz inbegriffen, fest verklebt – hochwertiger Mineral-Verbundwerkstoff, hygienisch, robust, fugenlos
- Material WC: Edelstahl AISI 304
- Oberfläche: Satiniert (matt)
- Verstärkung: Polyurethan innen
- Sitz: HI-MACS (Mineral-Verbundwerkstoff), fest verklebt
- Montage: Wandmontage mit Montageplatte
- Abfluss: Ø 110 mm
- Zulauf: Ø 56 mm

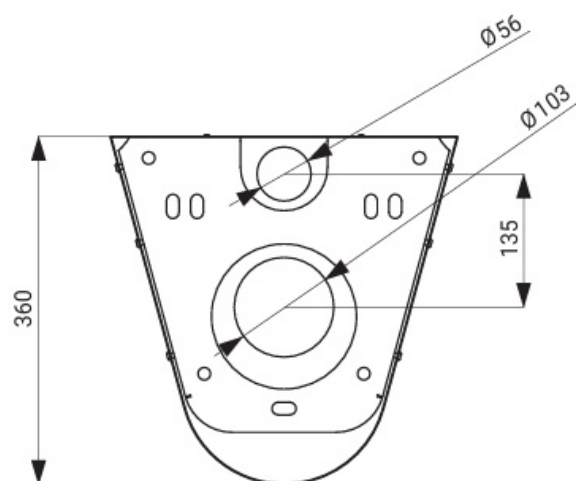

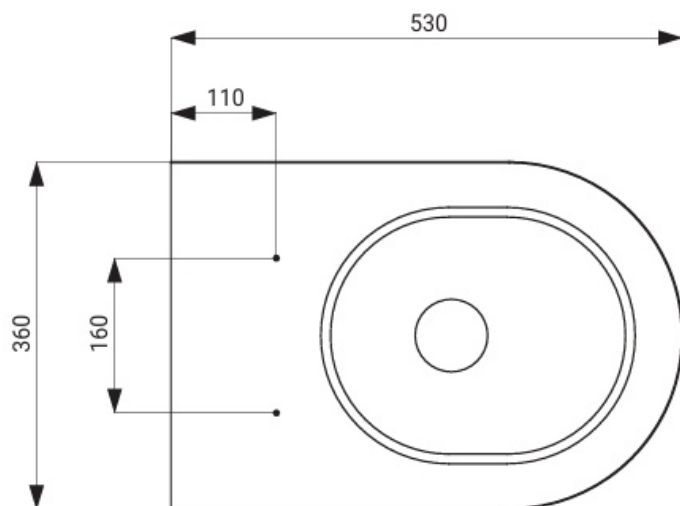

WC suspendu anti-vandalisme, acier inoxydable AISI 304, satiné, avec abattant HI-MACS

Artikelnummer: ASA-SLWN 04-LG

- Acier inoxydable AISI 304, satiné – robuste, hygiénique, résistant à la corrosion et facile d'entretien
- Renforcement intérieur en polyuréthane – prévient les déformations et atténue les bruits métalliques
- Exécution résistante au vandalisme – tôle d'acier massive, aucune pièce en céramique susceptible de se briser
- Fixation murale via plaque de montage – ancrage stable; compatible avec les systèmes de bâti-support standard (p. ex. Geberit)
- Abattant HI-MACS inclus, collé en fixe – matériau minéral composite haut de gamme, hygiénique, robuste, sans joints
- Matériau WC: Acier inoxydable AISI 304
- Finition: Satinée (mate)
- Renforcement: Polyuréthane intérieur
- Abattant: HI-MACS (composite minéral), collé en fixe
- Montage: Fixation murale avec plaque
- Évacuation: Ø 110 mm
- Alimentation: Ø 56 mm

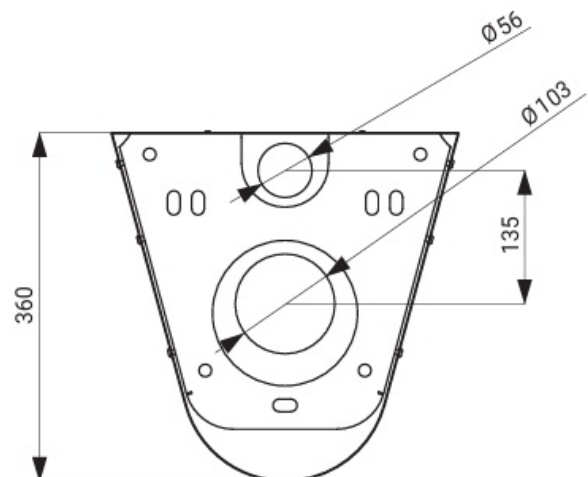

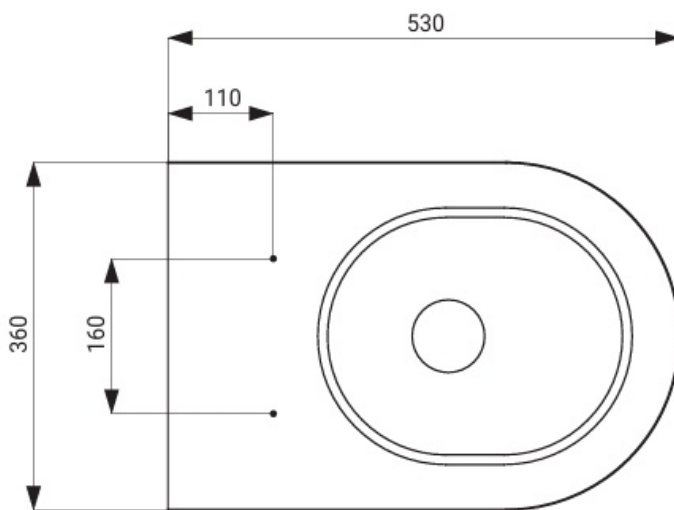

Wall-Hung WC, Vandal-Resistant, Stainless Steel AISI 304, Satin, with HI-MACS Seat

Artikelnummer: ASA-SLWN 04-LG

- Stainless steel AISI 304, satin finish – robust, hygienic, corrosion-resistant and easy to clean
- Internal polyurethane reinforcement – prevents denting and dampens metallic noise
- Vandal-resistant design – solid sheet steel, no breakage-prone ceramic parts
- Wall-mounted via mounting plate – secure fixing; compatible with standard frame systems (e.g. Geberit)
- HI-MACS seat included, permanently bonded – high-quality mineral composite, hygienic, robust, seamless
- WC material: Stainless steel AISI 304
- Finish: Satin (matt)
- Reinforcement: Internal polyurethane
- Seat: HI-MACS (mineral composite), permanently bonded
- Installation: Wall-mounted with mounting plate
- Drain: Ø 110 mm
- Water inlet: Ø 56 mm

WC sospeso antivandalismo, acciaio inossidabile AISI 304, satinato, con sedile HI-MACS

Artikelnummer: ASA-SLWN 04-LG

- Acciaio inossidabile AISI 304, satinato – robusto, igienico, resistente alla corrosione e facile da pulire
- Rinforzo interno in poliuretano – previene le ammaccature e smorza i rumori metallici
- Esecuzione antivandalismo – lamiera d'acciaio massiccia, nessun componente in ceramica soggetto a rottura
- Montaggio a parete tramite piastra di montaggio – fissaggio stabile; compatibile con telai standard (es. Geberit)
- Sedile HI-MACS incluso, incollato fisso – materiale composito minerale di alta qualità, igienico, robusto, senza giunzioni
- Materiale WC: Acciaio inossidabile AISI 304
- Finitura: Satinata (opaca)
- Rinforzo: Poliuretano interno
- Sedile: HI-MACS (composito minerale), incollato fisso
- Installazione: A parete con piastra di montaggio
- Scarico: Ø 110 mm
- Alimentazione: Ø 56 mm
